THE GREEN YOUR FLOW GIVEAWAY

Meet The Products

Menstrual Cup - Saalt

A silicone cup which is inserted into the vaginal canal-- it collects menstrual blood rather than absorbing it

Can be worn for: up to 12 hours

You get: 1 cup, 1 carrying pouch, 1 bottle of soap to wash your cup

Once full: dump, rinse or wash, and re-insert

At the end of your cycle: boil in the microwave or on the stove to sanitize

Period Underwear- The Period Company

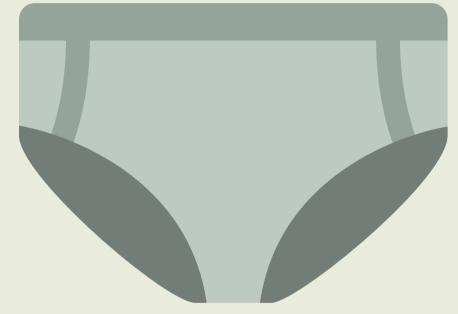

Absorbent, anti-microbial underwear which you wear like any other underwear--- they absorb menstrual blood, keeping you feeling dry

Can be worn for: about 12-hours

You get: 3 pairs of bikini underwear

Once full: remove, rinse with cold water, or just toss in the laundry

At the end of your cycle: throw them in the wash (or hand wash), then hang to dry or tumble dry low

Cloth Pads - Party in My Pants

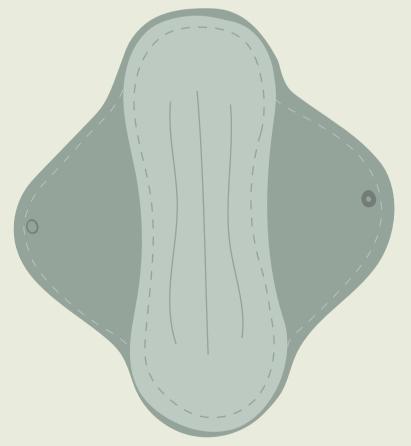

Absorbent cloth pads-- they work just like disposable pads, but can be washed and reused

Can be worn for: about 2-6 hours

You get: 4 cloth pads

Once full: rinse with cold water or soak for a couple minutes (optional)

At the end of your cycle: throw them in the wash on a cold or warm cycle (not too hot), then hang to dry or tumble dry low

Compare The Products

| Product Comparison | Timeframe worn before changing | Non- Toxic | Close Contact With Blood Required | Public Restroom Friendliness | Difficulty | Greenest |
