

DUFE Spring 2021 Auditions

DU First Edition (DUFE), DU's only all-women's a cappella group, will be holding auditions to join the group in the next few weeks. Though it is nearing the end of the school year, we want to continue to build our group and community and build momentum going into the fall! Due to COVID restrictions, we are conducting auditions via video. Please email your audition videos to dufirstedition@gmail.com.

Audition Requirements

- Sing a verse and a chorus, or about 1-1.5 minutes, of any song that you think showcases your voice best. This should be done a cappella, with no backing music. You can always play the first few notes for yourself to get started!
- Choose a section of a song to harmonize with. You will play the original version of the song softly and harmonize with it. This harmony can be as simple or as difficult as you would like. The purpose is for us to see if you can hold your own in a part against a different part.

Additional Video Guidelines:

- Feel free to send in two separate videos if that works better for you
- Be sure to start off your video(s) by introducing yourself!
- You can record the video with your phone, laptop, or camera, whichever you think will be the best quality.
- If you are having any difficulties with recording or sending videos, let us know and we will figure something out!
 - You can text Paige Otto at (970) 818-6644 if you need any help

After watching all of the videos as a group, we will reach out to everyone **by Saturday, May 15th** and let them know if we would like to see you at callbacks. Callbacks will be held during our in-person rehearsal time, Thursday, May 20th at 7:30pm.
